## CAREER OBJECTIVE

---

Motivated and detail-oriented software developer with a solid grounding in C, HTML, and Python. Eager to contribute to innovative projects, enhance my skills in real- world environments, and grow as a professional through continuous learning and hands-on experience.

## EDUCATION

---

National Institute of Engineering CGPA: 7 B.E in Information Science and Engineering	2022-Present
Sri Dharmasthala Manjunatheshwara PU college Percentage: 78 % Senior Secondary	2021-2022
The Arvind International School Percentage: 86.78 % Class 10 <sup>th</sup>	2020

## SKILLS

---

- Languages: C, Python, Kotlin, C#, Java
- Front-end: HTML, JavaScript, CSS
- Database: MySQL, MongoDB
- Soft Skills: Leadership, Communication, Teamwork and Collaboration

## PROJECTS

---

**School Management System** – Designed and developed a mobile application using Kotlin and XML in Android Studio, integrated MongoDB for efficient data storage and retrieval, and built a user-friendly interface for administrators, teachers, and students.

**Women Safety Application** – Built an intelligent safety platform with instant SOS triggers and live location sharing for rapid emergency response, while designing a secure, user-centric experience with real-time alerts and trusted contact management.

**Secure File Sharing System** – Developed role-based access control (RBAC) with granular admin privileges for secure file and directory access, and implemented RSA & AES encryption with session key management and strong authentication to ensure high data security.

## CERTIFICATIONS

---

- Interface, Christ University
- ISAC Certified Cyber Crime Intervention Officer (CCIO)
- Campus Ambassador, Rinex Technology
